

St Clair High School - Mobile phone/Device Policy 2020

When in a classroom or learning environment, your mobile phone/electronic device is to be stored, switched off in your bag OR stored in the Class Mobile phone/electronic device Storage Box (MSB), to minimise disruption to the learning environment.

If you are identified with your mobile phone/electronic device you will be warned and asked to turn the phone off/electronic device and store in your bag, or placed in the MSB.

If you are sighted for the second time with your mobile phone/electronic device you will be required to place your mobile phone/electronic device in the MSB where it is secured until the end of the lesson.

N.B: You are required to sign mobile phone/electronic device in, registering make and model

The phone/device will be signed out to you at the end of the school lesson and strategies discussed to promote SCHS Mobile phone/Electronic device Policy, and the impact of phone use on learning.

Should you incur repeated incidents of phone confiscation, the teacher will contact your parent/carer to promote the SCHS Mobile phone/Electronic device Policy, and the impact of phone/device use on learning.

More serious offences eg. refusal to comply with the SCHS Mobile phone/Electronic Device Policy will be managed by the HT, and the Mobile phone/Electronic Device removed for the remainder of the school day under the St Clair High School Discipline Policy.
