- Designated playground area:** OVAL A (oval has been split into A & B) this is the area closest to the primary school.

Students are to enter the IC building through the emergency exit doors opposite the primary school and make their way up the stairs opposite the entrance to upper floor.

Year 8 will follow their normal timetable for lessons in their allocated classroom where most classes will be conducted.

#### **Recess & Lunch:**

Yr 8 will forward out of their classroom, down the stairs next to the PE staffroom and exit through the emergency exit doors opposite the primary school out to the Oval A area, in a staggered approach.

The canteen will be operating on a limited menu based on a pre ordering system. Students will not be permitted to line up at the canteen. We are currently working on a suitable process with our canteen provider. This will be communicated to parents asap.

It is strongly recommended that students bring their own food and water bottle/drinks for the school day.
