

Applications Invited for the Sir Colin Hines Scholarship Awards

FOR CHILDREN OF VIETNAM VETERANS

The Sir Colin Hines Scholarship Awards were established by the Returned and Services League of Australia (NSW Branch) in 1988 to assist the children of Vietnam veterans with their education.

The awards are administered by a committee comprising a member or members of the Returned and Services League of Australia (New South Wales Branch), former members of the Australian Vietnam Forces Welcome Home Committee, a nominee of the Office of the Board of Studies and invited members.

This year, fifteen (15) Awards will be made to those who intend to undertake tertiary study. Such further study may be at a university or college of TAFE.

Each award will comprise a cheque for \$1,200.00 together with an appropriate Certificate to the student to commemorate the award. It is intended that these awards provide assistance to students to help purchase essential equipment, textbooks and study materials.

The awards are open to children of **all** Vietnam veterans including those of allied countries. Membership of the RSL is not a prerequisite.

Applications will also be considered from students leaving school before the end of Year 12. Such cases will need to be supported by school reports provided by the applicant.

Award of the scholarship is not based solely on the University Admission Index. Application for the award for 2013 should be forwarded in writing to:-

Mr Chris Perrin
State Secretary
