Apprenticeships for 2015

Students who are interested in undertaking an apprenticeship in 2015 are encouraged to start looking now. A number of local and national organisations will begin to advertise positions over the coming months.

For more general information on Apprenticeships visit: <http://www.aatinfo.com.au/Home>

Sydney Morning Herald Study Guide 2014

Every year the Board of Studies, Teaching and Educational Standards (BOSTES) works with Fairfax Media to publish the Sydney Morning Herald (SMH) HSC Study Guide that is relevant to the needs of HSC students, teachers and parents. This year the Guide will be available in print and digital format.

The print version will appear in the SMH on Monday 16th of June.

www.stclair-h.schools.nsw.edu.au

The Department has launched the 2015 new suite of opportunities for HSC students who may be our future teachers in NSW public schools, through *teach.NSW* website (www.teach.nsw.edu.au).

Teacher Education Scholarships

Up to 300 scholarships are available to students wishing to train as teachers in subject areas of workforce need (mathematics, physics, English, special education or selected technological and applied studies

subjects). These scholarships provide financial assistance to students while they are studying and secure employment as a teacher in NSW public schools on completion of their studies.

Teacher Education Scholarships for Aboriginal people

Up to 80 of these scholarships are exclusively available for Aboriginal or Torres Strait Islander students to train as teachers in primary or any secondary subject.

teach.*Rural* Scholarships

There are also up to 50 *teach.Rural* Scholarships for talented HSC students willing to teach in rural and remote locations in any subject areas.

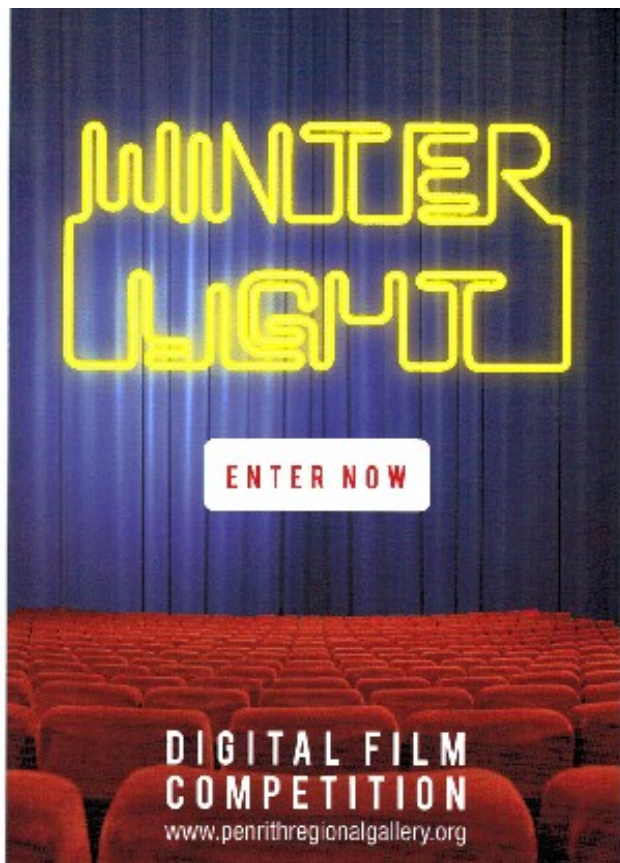

Great Teaching, Inspired Learning Cadetships

GTIL Cadets work part time as operational and educational paraprofessionals under the guidance and supervision of experienced teachers while they complete their teacher education studies. Cadets are remunerated for their time and guaranteed a permanent teaching position on completion of their studies.

For more information or to find out how to apply for a Teacher Education Scholarship, *teach.Rural* Scholarship or GTIL Cadetship, **visit the *teach.NSW* website** or connect with us on social media.

Laing + Simmons Real Estate Scholarship Program

This program is for Year 12 individuals wishing to enter the real estate industry.

- ⇒ Three scholarships will be offered in 2015 and will comprise of:
- ⇒ Enrolment in the Real Estate Certificate of Registration Course with course fees paid for by L+S;
- ⇒ Continued mentoring by a senior Laing+Simmons representative; and
- ⇒ One of the scholarship winners will be guaranteed a full time position within the Laing+Simmons group.

Applicants for the scholarships are requested to write in 100 words why they would like to pursue a career in the real estate industry. Thirty-six applicants are then selected to participate in one week's work experience in their local L+S office. Fifteen applicants will be short-listed and interviewed, with three successful candidates being selected for the scholarships.

Please see Ms Elks for more details or call 9291 7000.

UTS:SCIENCE

www.science.uts.edu.au/future

The University of Technology, Sydney (UTS) encourages diversity by providing alternate entry pathways and scholarships to students. Principals are invited to nominate students for both the **UTS Science Schools Recommendation Scholarships** and the **UAC Schools Recommendation Scheme**.

	UTS Science Schools Recommendation Scholarships (SSRS)	UAC Schools Recommendation Scheme (SRS)
What is it?	An aptitude based SCHOLARSHIP to encourage Year 12 students to pursue science or mathematics in university study.	An aptitude based ENTRY PATHWAY into any university program.
What is the value?	Valued at AU\$6,000 over 3 years	This is NOT A SCHOLARSHIP but an early offer scheme/entry pathway.
Who is it open to?	Year 12 students who are passionate about science or/and mathematics, and want to pursue a science or maths bachelor's degree.	Year 12 students who have experienced financial hardship and who have the potential for university study.
What are the eligibility criteria?	<ul style="list-style-type: none"> • Completing HSC in 2014 and have an aptitude for science or/and mathematics. • The selected course on the SSRS online application is listed as a preference on the applicant's UAC application. • Enrolled full-time in the course for the duration of the scholarship. • Only eligible for a selection of courses, which are: <ul style="list-style-type: none"> ✓ Bachelor of Science* ✓ Bachelor of Environmental Biology ✓ Bachelor of Marine Biology ✓ Bachelor of Mathematics & Finance ✓ Bachelor of Mathematics & Computing ✓ Combined degree Bachelor of Science*, Bachelor of Business ✓ Combined degree Bachelor of Science*, Bachelor of Arts in International Studies <p><i>Note: * eligible only in these majors – Applied Chemistry, Applied Physics, Nanotechnology, Mathematics, Statistics, Environmental Sciences.</i></p>	<ul style="list-style-type: none"> • Completing HSC in 2014 and demonstrates capacity to study at university. • Applicants must be eligible for the Educational Access Scheme (financial hardship). • At least one of the courses listed on the SRS application form is also listed as a preference on the applicant's UAC application.
How do students apply?	Students must be nominated by their school Principal. Each school can nominate up to THREE students.	Students must be nominated by their school Principal.
How can a Principal nominate?	Via an online nomination link. To access this link, please email science@uts.edu.au or ring us at 9514 8276	Via the Universities Admission Centre (UAC). Details will be available on both UAC and UTS websites in July 2014.
Who can help?	UTS Science ,Outreach & Marketing Phone: 02 9514 8276 Email: science@uts.edu.au www.science.uts.edu.au/future	UTS Equity and Diversity Unit Phone: 02 9514 1084
