Term 3 - Rebuild

Hi everyone,

Students return to school on Tuesday 18th July. We hope everyone is enjoying their break and this sensational winter weather.

When students return they will need to go to the hall at 8.30am. Parents are welcome to join us if they like. During this assembly we will go over what work has been completed through the holidays, the effect this will have on students' movement around the school and future works.

The biggest change regarding movement is access to E Block. As you can see below, this will occur via scaffolding stairs.

The canteen was handed over on Monday and the team from Healthy Canteens are moving their stock in. They will be ready to commence service when students return.

If all goes well stage one should be completed early term 4. This will then allow students to access E Block via the new basketball courts. We hope for a dry term 3 so that the construction schedule is maintained.

Demolition work has also begun on the "slab" and sorry kids also our basketball courts. This will mean that the only active area during breaks will be on the oval. During term 4 the new basketball courts will open.

Regards,

S.Smithard
